Prior to your last day of occupancy, please contact your Property Manager to notify when the premises will be vacant. On your last day of occupancy, **after** the above items have been taken care of, please contact your Property Manager to do a move out inspection, to return your keys and to provide a forwarding address. This will assure your deposit will be quickly refunded. **(Reminder be sure to have utilities disconnected after this inspection.)**

We certainly regret losing a good tenant but we wish you the best of luck with your new home. We hope we can serve you again in the future.

Sincerely,

Bernard Normand
